**BROADBAND FOR SENIORS**

We are pleased to let you know that here at the Centre we now have computer kiosks entirely devoted for Seniors in our community.

The **free** kiosk features two computers that have access to Broadband internet. Beginners are more than welcome to come as we are providing training.

The kiosk for Seniors offers the opportunity for our Seniors to discover how the web can play a great part in helping you and your fellow members stay in touch with friends and family, along with offering access to the wealth of information available online. This is your chance to find out what all the excitement is about.

So if you, or someone you know would be interested in learning more about the computers and the internet please pay us a visit, or contact us for more information on training and kiosk access times!

# COMPUTER COURSES!!

SEAFORD/MOANA NEIGHBOURHOOD CENTRE has a variety of high quality computer courses available for tuition. It doesn't matter if you are a complete novice or a more advanced student, there is something here for everyone! If you are wanting to gain skills for employment, business, school, your hobbies or your home, then let our university trained tutors teach you in easy-to-understand terms. Each course represents incredible value for money. To complete the same content at any other educational facility would cost you three to four times as much!

**We have arguably the best computer learning facility in the Southern area - one computer terminal per person (no need to share!), powerful computers, HUGE 22 inch screens, and no overcrowded classrooms (maximum of only 6 students per class - that's nearly one-on-one tutoring!!) Come and see our newly renovated computer room and check out some of the courses below:**

- Computers for Beginners
